WALVIS BAY**

**BULLETIN BOARD**

2 JUNE 2017

**“Cambridge IGCSE and A Level are the most sought-after and recognized qualifications in the world.**

**It develops and encourages vital educational skills.”**

**ISWB** will host a Cambridge Qualification **Open Day** in July where you will be able to learn all there is to know about subject choices, qualifications, university exemption and avenues of study.

Watch this space for the date to be announced soon.

## Ten reasons to choose Cambridge International Examinations

We prepare school students for life, helping them develop an informed curiosity and a lasting passion for learning. We are part of Cambridge Assessment, a department of the University of Cambridge.

- 1** Our qualifications are widely recognised by the world's best universities and employers.
- 2** We help Cambridge schools and teachers prepare their learners to be confident, responsible, reflective, innovative and engaged – equipped for success in the modern world.
- 3** We are part of the University of Cambridge and a not-for-profit organisation. We devote our resources to delivering high-quality educational programmes that can unlock learners' potential.
- 4** We offer a clear structure and a strong platform to guide learners' progression from the start of primary to the end of secondary education.
- 5** Our curriculum is flexible to integrate and stimulating to teach. Schools can choose all or part of it to suit their learners' needs.
- 6** We offer a wide range of subjects – available in any combination.
- 7** Our programmes and qualifications are created by subject experts, rooted in academic rigour and reflect the latest educational research.
- 8** We provide first-class support for teachers through publications, online resources, training and professional development.
- 9** Every year, nearly a million Cambridge learners from 10 000 schools in over 160 countries prepare for their future with an international education from Cambridge.
- 10** 98 per cent of Cambridge schools say they would recommend us to other schools.

## **Arriving late at school**

As a school of excellence, **ISWB** upholds an organised and scheduled learning programme. Students depend on the structure

and consistency of this schedule which includes teaching times as indicated on the timetable. When students are repeatedly arriving late for school in the mornings, lesson times are disrupted and routines broken up. Students who arrive late have trouble settling in and are needlessly stressed which in turn it can upset their whole day.

More important, students who arrive late might be recorded as “absent” for the day on the register.

**Steps to take should your child be absent from school**

The school needs to know in advance should your child be absent for the day.
