IMPORTANT NOTICE

Dear ISWB Parents

In reviewing the overall school budget of 2017 an omission/oversight was detected in the budget for maintenance.

It is not the policy of the school to increase school fees to meet the day to day management and maintenance of the school; therefore, it was decided to introduce a tax system to compensate for the short fall in maintenance.

As from 4 April 2017, each student will be required to pay N\$0-50 taxation (per visit) on the use of the ablution facilities and N\$0-10 per 6 blocks of toilet paper, payable at the reception or the secretary prior to each visit.

Thank you for your compliance.
