Cambridge qualifications are accepted and valued by universities around the world, including Harvard and Cambridge

They are recognized as qualifications that prepare and equip students with the skills they need to succeed both at university and beyond.

Please take some time to watch the short video clip below:

Why we welcome Cambridge students at the University of Cape Town.

ART at ISWB

At ISWB art is seen as a most important component in child development; it is regarded as a universal language that all humans understand. Art allows children to express emotions as well as to stimulate Creativity.

The year 1s in the pictures below are always keen to do art.
