ADVANCED LEVEL STUDENTS (AS/A LEVEL)

Advanced Level students may wear civilian clothing ("civvies") provided that their clothing, footwear, and overall appearance meet the professional standards set out in this policy.

Advanced Level students represent the highest level of education at ISWB and are therefore expected to dress in a professional, smart, neat, and appropriate manner at all times. Their appearance should reflect the maturity, responsibility, and standards expected of senior students and should be suitable for a professional working environment.

Professional Appearance Standard

The overall appearance of an AS/A Level student must be professional and presentable. **Compliance with individual items listed in this policy does not automatically mean that an outfit is acceptable.** The complete outfit and overall appearance must meet the professional standard expected of senior students.

Clothing must:

- Be clean, neat, and in good condition.
- Be appropriately sized and properly fitted, without being excessively tight, oversized, sagging, or revealing.
- Be free from rips, tears, excessive fading, fraying, or other signs of being unsuitable for a professional environment.
- Provide appropriate coverage and not expose the midriff, underwear, or excessive cleavage.
- Be suitable for a school and professional environment.
- Be worn in a neat and presentable manner at all times.

Students should choose clothing that reflects smart-casual professional dress, rather than clothing primarily intended for lounging, exercise, the beach, or informal recreational activities.

The school reserves the right to determine whether an outfit meets the required professional standard, including where an item is not specifically listed in this policy, but the overall appearance is considered inappropriate or insufficiently professional.

Clothing Requirements

- Only classic-cut blue jeans are permitted. Ripped, torn, distressed, excessively faded, or embellished jeans are not permitted.
